

## **Public Safety Monthly Report – November 2020**

## **Summary**

It has been a month since the official start of the 'new' HPP on 1 November 2020.

The HPP responded to 258 incidents in November 2020. It is important to note that not all incidents reported are crime related. Many of them are public assistance or preventative action taken by HPP. Crime related offences include theft, house breaking, robbery, poaching etc. as well as any Bylaw/traffic related reports. A full breakdown of the type of incidents responded to can be found on the last page of this report.

The number of open windows and doors reported by HPP nightshift response vehicles are of concern. For the month of November, 23 incidents were reported. We appeal to property owners to take the basic precautions to reduce the possible incident of crime – secure windows and doors, keep valuables out of sight and activate alarm systems.

The patrollers have responded to a large amount of public disorder and vagrancy issues. As you will see from the report, 33% (85 incidents) of reported matters dealt with public disorder, mainly loitering and public intoxication, 20% (51 incidents) of reported matters dealt with vagrants and beggars.

Several incidents resulted in arrests being made. HPP were directly responsible for the arrests of 7 suspects during the month: 5 as a result of CCTV intervention and 2 as a result of the team in the field.

Our busiest suburbs for November were CBD (28% of reported matters – 73 reports), Westcliff (15% of reported matters – 39 reports) and Voelklip (15% of reported matters – 39 reports).

Reporting of incidents by the public continue to be instrumental in reducing crime in the area.

You can report an incident to the HPP call centre 24/7 on 087 550 5295.
